Dear David,

I would like to extend a huge thank you from Pflugerville Little League for your donation of labor in helping us bring our concession stand up to code with the installation of the back flow preventors on our soda and ice machines. As a non-profit organization, we appreciate all the donations of goods or services that we can get so that we can focus on spending our budget on the kids and improving our facilities.

Thanks again for your support and generosity.

Sincerely,

*Tasha Evans*
